

MAZ INTERNATIONAL SCHOOL

MAZ INTERNATIONAL SCHOOL PETALING JAYA

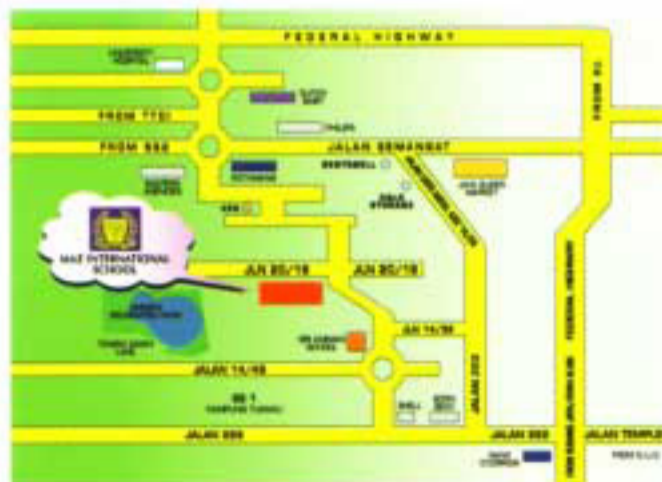

Established in 1991 as a private independent co-educational school, it provides quality education in line with the British curriculum from primary to 'O' and 'A' levels from University of London and Cambridge board. Not only preparing students academically, the school also provides for the development of social skills and values, with a well-rounded curriculum.

Trained and dedicated teachers with many years of experience ensure that students not only enjoy studying but also produce work of high quality. It is the aim of the school that students receive quality academic education as well as personal development.

MAZ international School Shah Alam

With years of experience and dedication in providing high standards of education MAZ International School has stepped into the venture of its second school at Shah Alam, Selangor. The 8.5 acre development is a fully equipped residential school with separate hostels for boys and girls, Football field, Swimming Pool, basket ball and tennis courts and indoor auditorium. The new campus will open in January 2008.

Maz international school has earned an excellent academic reputation and the students are well accepted by prestigious universities like Cambridge, Oxford, Seoul National University and I.I.T. (India).
