

MULTIMEDIA UNIVERSITY

Established in 1996, MMU is the first government-approved private university focusing in the areas of information communication technology and multimedia. Operating with twin sister campuses located at the heart of Cyberjaya, the Intelligent City of the Multimedia Super Corridor (MSC) and in Melaka, the renowned historical city of Malaysia; MMU is one of the largest private university establishments in the country with over 21,000 students out of which 1,800 are foreign students hailing from over 75 different nations around the globe.

The university aims to produce world class graduates who are able to innovate and lead in the rapidly evolving technological era. In the MSC, the university is well known as a centre of educational excellence and catalyst for ICT innovation and development.
