

STAMFORD

STAMFORD COLLEGE

STAMFORD COLLEGE – A LEADER IN THE FIELD OF HIGHER EDUCATION IN MALAYSIA

The first private college listed on the Kuala Lumpur Stock Exchange, Stamford College is comprised of 8 campuses spread throughout Malaysia. It offers a wide range of courses which provide students with the option of pursuing internationally recognised qualifications at an affordable cost.

The college has a large contingent of international students from Indonesia, China, India, Germany, Africa and the Middle East, lending an international flavour to the student population.

INTERNATIONAL RECOGNITION & ACHIEVEMENTS

An ISO: 9001: 2000 certified organization • Certified for 'student support and services' and 'education management services and support' by independent European Certification Ltd, U.K., meaning that all management, academic and administrative processes at Stamford are of a quality comparable to the best in the world.
