Darul Ehsan Medical Centre is strategically located in Shah Alam, the heart of Selangor Darul Ehsan.

At DEMC, we strongly believe in shared values, partnership and teamwork. We strive to be the premier healthcare provider and work in tandem with our customers to create values. This serves as a foundation for DEMC as we move forward to pursue excellence in our investment endeavors. We hope this website will assist our existing or future customers to have better understanding towards our greater values and aspect of services.

DEMC is a fast growing healthcare group providing a wide range of healthcare services for the community. The group is principally involved in the development, management and operations of healthcare institutions and facilities. DEMC is committed to serve healthcare needs of the community and to provide the highest standard of healthcare, which is affordable to the middle and upper middle income brackets. We constantly envision new services and requirements of the community we serve.

By doing so, it creates a winning formula by satisfying and catering to community needs. All in, DEMC's philosophy is one that reaches out to the community by providing value and quality in all its endeavors.

DEMC Management Sdn Bhd owns and operates Darul Ehsan Medical Centre. Since its inception on 1997, DEMC has carved out a growing reputation as a truly affordable one stop medical centre for the whole family.

DEMC is led by a committed team of caring, well qualified and experienced medical and surgical consultants. They are supported by professional nurses and paramedical staff with quality personality care.
